In November 2008, *Veranda*, The City of Beverly Hills and Friends of Greystone will present "The Great House" at Historic Greystone Estate in Beverly Hills, California, with Honorary Chairperson Mrs. Ann Getty. A relic of the Golden Era of the Great House in America, Greystone is one of the few great family homes in California to survive. *Veranda* has the unique opportunity to recreate a 21st-century vision of this architectural jewel through the eyes of today's most talented and influential designers.
